

Questions for Candidate Question Time

Hi Candidates!

Here are the questions we'll be asking you next week at the Question Time event (**Tuesday 30th May**). We'll be hosting the sessions in **PS/C/003 (Psychology)**. Each role will have an hour slot for that set of candidates and times can be found below. This event is not mandatory but we highly recommend attending as we will be live streaming the Q&As. Students are also welcome to attend in person.

The session will begin with **each candidate having 90 seconds** to introduce themselves and their manifesto/ideas, [think of it like an elevator pitch](#). You will have **60 seconds to answer each question** and you can bring your answers with you, flashcards are great for this!

President **10:00 - 10:55**

VP Academic **11:00 - 11:55**

**VP Wellbeing &
Community** **12:00 - 12:55**

1. In an Officer role, your primary focus is to gather feedback from PG students on their experience. How would you ensure that you fairly represent our varied student groups?
2. What would you say is your greatest strength and how would this support you in your role?
3. Can you tell us about a specific skill which you could develop in this role?
4. How would you share your campaign/project wins with students and keep an open line of communication?
5. As an Officer, how would you approach a difficult conversation with the University?
6. Is there an aspect of this role that you're most excited for?
7. Is there a specific reason/moment which led to you nominating yourself for the role?
8. As **insert role here**, what is the first thing you'd do if you were elected?

*We may decide to remove questions towards the end of the session dependent on time, but we will ask them in the above order.

*Please be considerate of others, we ask that supporters and campaign teams do not disrupt the session by talking over candidates. Clapping after answers is fine and highly encouraged!
